Dear Judge Johnson,

Hello my name is Charlene McRae and I have known Charles Watts well I would say since he was around 5 years old. I've known the whole family for over 50 years.

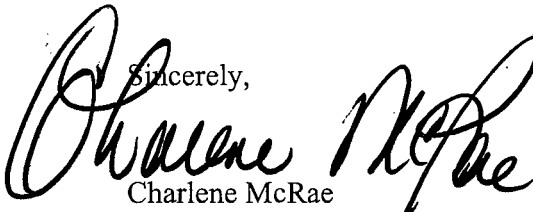

His mother, Lillian, and I were like sisters. Even though we are not related by blood, she was the best sister I could have asked for. Her children and my children grew up together. For some time we lived in the same neighborhood. We could not stand to be apart. We even went out and found an apartment in the same building. My heart aches even to this day when she passed. Charles was her heart. It broke both of our hearts when he went away.

If I had to sum Charles up in just two words, which would be very hard to do, I would have to say "Loving & Caring". He would always be under me and his Mom always making sure we didn't need anything and go on errands for us. Anytime I would ask him to do something before I could finish he already answered yes no hesitation at all.

I don't know what to say as I type this letter tears are filling my eyes. I know he made a mistake and that one mistake cost him all of his adult life and I know he is very sorry for his actions that day and every day.

I love him like my son and nothing would mean more to me than to see him again, hug him until the tears stop flowing, and then to see that beautiful smile that I miss so much

If there is anything that you need please feel free to contact me. Freedom is so precious and he knows that well now.

Sincerely,

Charlene McRae
